

IRB SUMMIT 2011

DAEGU KOREA

April 21-23, 2011
Hotel Inter-Burgo, Daegu, Korea

Invitation

At a time when there is an increasing interest in ethical research, the **Daegu Catholic University Medical Center (DCUMC)** will host "**IRB Summit 2011**" with the **Western Institutional Review Board (WIRB)** on **April 21-23, 2011** at the Hotel Inter-Burgo in Daegu, Korea.

This year's IRB Summit follows the success of the international conference held in March last year, and will serve to provide a balanced vision of the various perspectives on advanced ethical view for global and multi-regional clinical research, even far advanced and innovative medicine today as well as the latest global trends in Korea and abroad. **IRB Summit 2011** will be attended by authoritative figures in the global IRB scene and related fields in the world. The greatest honor for IRB Summit 2011 is **all distinguished members of WIRB** including **Dr. Angela Bowen**, its founder and Chair of WIRB Board directors will be attended. Also, the meeting for the members of **the WIRB International Fellow Association** will also be held during the Summit period. It will be **the first time** ever that the WIRB fellow meeting will be held outside the U.S.A, a testament to the advancement of ethical awareness in medical and human research in Korea.

The accomplishments that we have achieved up to now are the results of the dedication and effort of all of you. We would like to take the Summit as a chance to thank you and give back to all those involved, and look forward to your continued and greater interest and participation in this year's Summit.

Rev. Kim, Jun Woo
President of IRB Summit
President and CEO,
Daegu Catholic University Medical Center

Frank Martell
Co-President of IRB Summit
President and CEO,
Western IRB(WIRB)

Lee, Hahn-Koo
Chair, advisory committee of IRB Summit
Member of the National Assembly
